

Simplify processes.
Work confidently.
Let us guide you.

At Info-Pro, we guide hundreds of financial institutions through complicated processes with smart, intuitive solutions. From self-service to full-service options, we help you achieve compliance while saving time. You can feel confident in your work, focus on your client relationships, and know we're optimizing your workflow determination information so you can adhere to strict compliance regulations.

Delinquent tax services

Industry-leading accuracy ensures timeliness of verifying tax payments were made on time. With our extensive property tax tracking expertise and smart, Info-Exchange technology, we help identify and track potential exposures in your portfolio.

We provide:

-  Annual delinquent audit with detailed reporting
-  Additional rechecks on delinquent borrowers
-  Tools to create customized notification letters

Escrow services

Manually collecting and processing escrow information is a tedious and time-consuming task. We simplify that process by bridging the relationship between you and numerous tax agencies.

We provide:

-  24/7 access to industry-leading technology, Escrow Advisor
-  System notification indicating new data or action required within Escrow Advisor
-  Reports, payment instructions, payment files, wire instructions, and exceptions right at your fingertips

Portfolio verification

A single mistake can lead to damaging repercussions. Leverage our nationwide partnerships for complete data verification.

We provide:

-  Cooperative relationships with tax agencies nationwide to validate portfolio data
-  Detailed and printable reporting that outlines audit results

Info-Pro takes “the complex” and make it easy. We collect and integrate data from the 26,000+ property tax authorities nationwide into a user-friendly software platform, enabling financial institutions to easily identify property tax delinquencies and pay escrow taxes.
